

MODEL: CaterTTract+ CTT-LED-20S

CATERTRACT+

LED ultra energy saving, glue board, 6W power.

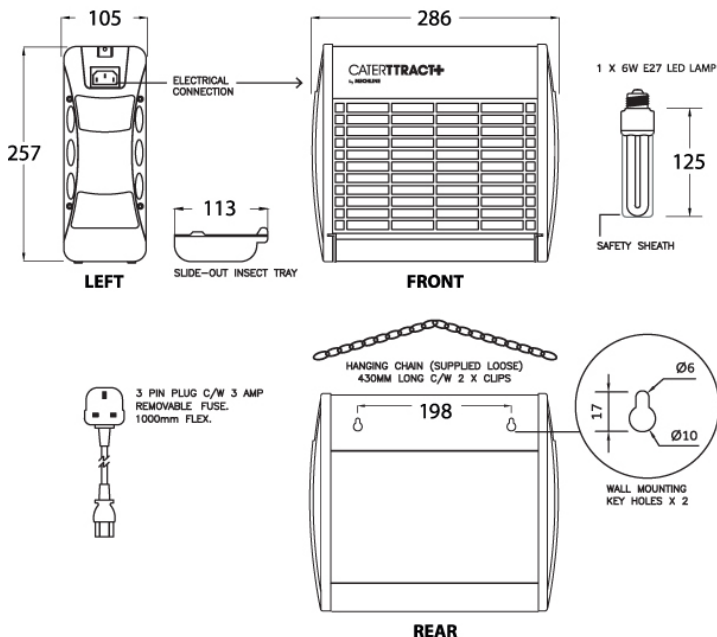

Coverage: 40 Sq M

FEATURES & BENEFITS

- Infused Glue board. Designed to lure insects typically found in commercial kitchens
- Perfect for Food Prep Areas. Glue board design removes flying insects discreetly and hygienically. No scattering body parts. HACCP compliant
- Conforms to International Standards. UKCA, CE and IEC certified. EMC & LVD accredited
- Ultra-efficient 6W LED lamps
- Advanced LED Technology. Unlike many entry level LED lamps, this bright LED lamp mimics UVA light (315-400 nm) - the light insects are most attracted to!
- Shatterproof. Glass-free lamp comes with sheath for extra level of protection against breakages. Food safe and robust for greater peace of mind
- Huge Energy Savings. The LED lamp uses 50% less energy and lasts twice as long as a typical UV Lamp
- Long-Life. LED lamp lasts up to 13500 hours – twice as long as a typical UV Lamp. Reduces waste and kitchen disruption
- Meets Regulations. LED Lamps are made with non-hazardous material. 100% recyclable
- Effective Insect Attractant
- All units come supplied with 3 x glue boards. Replacement glue boards are available to purchase in packs of 6
